## **800 Grant Street County Parking**

## Please see the following map for county parking at the 800 Grant Street building.

County parking is available on the 3<sup>rd</sup> level of the parking structure as well as the 4 spaces behind the building along the alley and spaces 27 through 31 on the 2<sup>nd</sup> level along the north side of the building. Also, there is handicap parking on the 1<sup>st</sup> level which is the first space on your left (Space #26) that can be accessed from Grant Street. There is a handicap space on Grant Street in front of the building as well.

In addition to this county parking, there are 13 parking spaces available at the church just north of our building which can be accessed from Grant Street.

If all of these spaces are full, there is a parking lot just half of a block southeast of our building (8<sup>th</sup> and Logan). In addition, there is FREE on street parking just 2 blocks east of the building.
